Access Option

Which access option do you choose?

Flat rate: Pay-per-use: Do you want to purchase additional pay-per-use credits: Yes No
How many additional credit blocks would you like to purchase:

Please refer to the price list and terms and conditions available on [LOBSTER.wiwi.hu-berlin.de](https://lobster.wiwi.hu-berlin.de) for detailed information on the access options available.

User Details

For the *flat rate* option the master-account should be assigned to the main contact as the master-account allows the management of all sub-accounts. If you choose the *pay-per-use* option, please enter you account information in the master-account field and leave the sub-account fields empty. In the title field please enter the academic status of the users: Professor, PhD, PhD student, master student, etc.

Master-Account

1 Surname, first name: Gender: (F/M) Title: University e-mail address:

Sub-Accounts

	Surname, first name:	Gender: (F/M)	Title:	University e-mail address:
2				
3				
4				
5				
6				
7				
8				
9				
10				

Should you currently have less than 10 users for your *flat rate* access, leave the additional fields empty. You are able to add the user's information later.

The *flat rate* option allows for more than 10 users.

Would you like to purchase additional sub-accounts? Yes: No:

How many sub-accounts do you want to add:

Please provide the information on the additional users in your e-mail when submitting this application form.

Again we require the name, gender, title and university e-mail address.

NASDAQ OMX's Academic Waiver

Is NASDAQ OMX's academic waiver already in place?	yes	no
Has the waiver application already been completed?	yes	no

Remarks

Please note: The usage of LOBSTER's data is only allowed under NASDAQ OMX's academic waiver.

Submission

Please send the completed application form to LOBSTER.wiwi@hu-berlin.de with subject 'application'.

Should you be unable to fill out the pdf form send us an email to LOBSTER.wiwi@hu-berlin.de with the same information.
